

The Orange Township Economic Development Advisory Board has dissolved. In its place, the Orange Township Outreach and Communications Committee has been created. We are currently working to import the email addresses used to email Economic Development Advisory Board Meeting Agendas into the agenda center for the Orange Township Outreach and Communications Committee. You may receive an email asking you to confirm your subscription. If you wish to receive agendas for the new committee please confirm by following the instructions in that email. If you have already received the email and deleted it, you can sign up for the new committee by going to Notify Me on our website, www.orangetwp.org and signing up for the Outreach and Communications committee under Agenda Center.

Thank you
