Site Plan Requirements for Residential Zoning Permit Applications

- Two (2) copies - minimum size of 8.5"x11" paper, maximum size of 11"x17" paper
- North arrow and scale (i.e. 1 inch = 20 feet)
- Property lines, with the exact dimensions of the lot labeled
- Street right-of-way boundaries including street centerline
- The exact dimensions and location of all existing buildings (house, shed, barn, etc.), structures (decks, patios, pools, paved parking areas, courtyards, etc.) and driveways/access points, indicating setbacks of each from property lines with measurements/distances labeled
- The exact dimensions, height and location of all proposed buildings, structures, additions, or modifications to the property, indicating setbacks from property lines with measurements/distances labeled
- Existing and intended uses of all buildings and structures
- All easements and utilities
- Regulatory floodplain (Floodway and Floodway Fringe) and riparian setback boundaries, when applicable
- All above and below ground drainage and stormwater features
- Site topography (two (2) ft. contour intervals)
- The exact location, dimensions and setbacks from property lines and structures of all private/public water and wastewater treatment facilities
- All areas of disturbance, including grading, filling, clearing, excavating, etc.
- Fencing location and materials for proposed pools, if applicable
- Verification of water supply and wastewater treatment
- Any other information with regard to the lot or neighboring lots which may be necessary to determine and provide for the enforcement of the Orange Township Zoning Resolution

Drawing a Site Plan for a Residential Zoning Permit Application

- The applicant (property owner and/or builder) may prepare the required site plan provided all applicable requirements are detailed and it is drawn to an appropriate scale. However, staff reserves the right to require that the site plan be prepared to scale and to provide all required information as required under Section 25.03 of the Orange Township Zoning Resolution. Site plans which are incomplete and/or not drawn to scale will not be accepted.
- Site plans may be created digitally or drawn by hand using a scale or ruler and a straight edge. Scales of 1" = 20', 1" = 30', 1" = 40' and 1" = 60' are provided below.
