

Temporary closure of Walking/Bike Trail

Due to a Del-Co Water project, a section of the Walking / Bike Trail that runs parallel to the railroad tracks, between Lewis Center Road and East Orange Road, will be temporarily closed. The trail will be closed just north and south of the Del Co. Water reservoirs. Trail users will not be able to use the trail along side of the reservoirs. Del-Co will be placing "Road Closed" signs at each of the locations called out by the red arrows on the map below. Closure is scheduled to start Monday, June 8th, 2020 and will remain in place for 4-6 weeks.
