Case# CU-

NOTE: All applicants must address all criteria listed below for the application to be considered complete. Failure to do so will warrant rejection of the application. Please address each request separately - attach additional sheets if necessary.

Section 28.07(d) - Conditional Use Determination*

1. The proposed use is in fact a conditional use as established under the district regulations or elsewhere in this zoning resolution.

2. The proposed use is of such a nature, and designed to be constructed, operated and maintained in such a manner, so as to be harmonious and appropriate with the existing or intended character of the general vicinity and that such use will not change the essential character of the same area.

3. The proposed use will not be hazardous or disturbing to existing or future neighboring uses.

4. The proposed use will be served adequately by essential public facilities and services such as highways, streets, police and fire protection, drainage structures, refuse disposal, water and sewers, and schools.

5. The proposed use will not involve uses, activities, processes, materials, equipment, or conditions of operation that will be detrimental to any persons, property, or the general welfare by reason of excessive production of traffic, noise, smoke, fumes, glare or odors.

6. The proposed use will have vehicular approaches to the property which are so designed as not to create an interference with traffic on surrounding public thoroughfares.

7. The proposed use will be consistent with the objectives of this zoning resolution and the Orange Township comprehensive plan.

8. The proposed use will be in the interest of the public health, safety, and morals.

* Please include any additional criteria as stated in said zoning district.
